

## APPLAUD FOR OUR HEROES!

Join our community to thank our heroes:

**Healthcare Workers** 

**First Responders** 

**Essential Workers** 

Thursdays at 7:00 p.m. starting April 23, 2020.

Continuing every Thursday while we shelter-in-place.

We invite you to step outside your front door and clap, cheer, and make joyful noises for a few minutes to thank our front line and essential workers who risk their own health everyday so we can be safe. Be creative! Make signs, make music, or just clap and smile at your neighbors.

We appreciate all who are keeping things going during these trying times.
